## Contest for Sankalp chief's post on at MICA

### TIMES NEWS NETWORK

Ahmedabad: It was a theatrical fiesta for students of Mudra Institute of Communication, Ahmedabad (MICA). Over the weekend, they witnessed seven plays, directed by the students themselves. It was judgement day as the soon-to-graduate batch was to pick the new heads of the student-run theatrical body, Sankalp.

As the present directors of Sankalp will soon pass out, the hunt for a new director of the student body, that hosts the annual theatre festival of MICA, is on.

“Aspirants to the post were asked to direct a one-act play. The plays were performed in front of the student community who cast their votes. Seven candidates were shortlisted — three of them staged their plays on March 13 and the rest on March 14,” said Rishi Jain, a student of MICA.

The themes ranged from love stories to social issues and communal riots. These performances will be followed by an open interview on Monday. Only after this, the students will cast their vote to select the winner of the competition, who will take Sankalp in its 11th year.

Students enact a play as part of the contest
